### Points to Note

- (1) Update supervisor regarding:
- We have changed the function name "Analytics" to "BI" after getting approval from our clients.
  - As attached is the new set of feedbacks that our client sent which we have reviewed and made necessary changes to.
  - We will be conducting our UAT this week
    - Regards to this, we would like to check if there is a min number of users that an UAT have to hit?
  - Beside UAT, Hungrymen will be preparing for our Mid-Term in 30<sup>th</sup> September 2016 this week
    - Could we send you our presentation slides by this weekend to seek review and feedbacks?
