

HOME/MAIN PAGE

1) **Visual appearance** – Break up the all-white background.

a. PLEASE AMEND AS INSTRUCTED BELOW. Earlier instruction was not executed.

*** Please STANDARDIZE colour selection/scheme for ALL figures shown across ALL sections i.e. Main Page, Report, Analytics & Calendar.**

2) **'Sync'** – Not Working. Could not sync new records entered (both when connected to Wi-Fi & 3G networks).

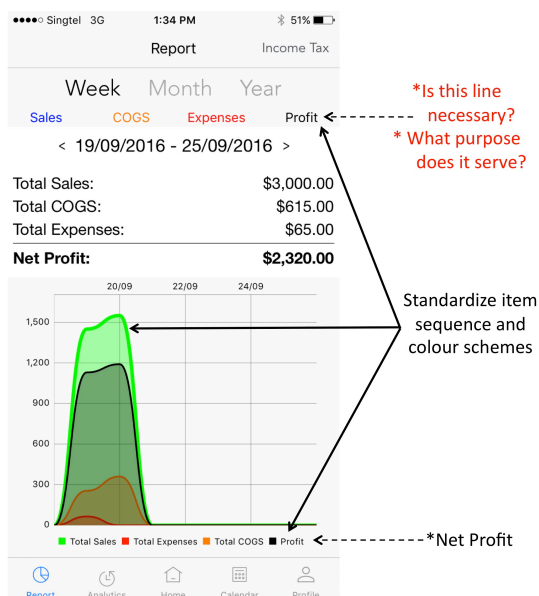

3) **'Set Monthly Target'** – working, managed to re-set target successfully. Adjust to '60,000.00' (comma, 2 decimal points)

4) **'Add New Record'** – working. See comments for Calendar for adjustments. Add exclamation mark to message notice 'Successfully Saved!'

REPORT

5) **Week/Month/Year**

a. PLEASE AMEND AS INSTRUCTED BELOW.

b. As instructed earlier, amend legend sequence – Total Sales, Total COGS, Total Expenses, Net Profit.

- 6) **Income Tax** – cannot access and app gets shut down after clicking on 'Income Tax' button. **Please check.**

ANALYTICS

- 7) **Data not very comprehensible at this point. Is this section ready for UAT testing?**

CALENDAR

- 8) **Visual appearance** – Amend colours & alignment.

- a. COGS colour for 1st September in red (not the chosen orange). **How come?**
- b. For adding new entries/records, COGS 'SGD' data entry box is in red whereas displayed figure is in orange. **Please amend/standardize.**
- c. Change 'PROFIT' colour from red to black (**to standardize & for consistency with 'Report' section**). Also check alignment and size of 'PROFIT' i.e. it looks lower and smaller than the other figures displayed.
- d. **Include profit figures in 'Records'.**

PROFILE

- 9) **'Sync' – Not Working.** Could not sync new records entered (both when connected to Wi-Fi & 3G networks).
