Minutes Prepared by: Wendy
Vetted by: Zong Wei

Points to Note

- (1) Update on UI, Feedback on UI
- UI will be completed by 24th Aug 2016, we'll be using material and font awesome library

Feedback:

Sign Up Page 2: resent: timer (1 minute) **need to find out sms service, check the price and let Edmund know**

Sign Up Page 3: Add name field and profile picture

Home Page:

- Sync icon with name, information icon with name
- Missing as of now
- More distinct difference between header and numbers
- Change of color scheme for numbers – sales: blue
- This month target: bar/circle to show progression
- **Check with Edmund if weather feature if necessary**
- Change label: this month's target sales

Add Expenses and Sales Page:

- Top right icon remove (both next and tick icon), include enable next/(save/enter) button below number field
- Description for photo capturing of receipt or etc
- Add cogs and others → beside today's date
- Date switch with description
- Remove reminder, repeat field

Calendar Page:

- Remove showing of daily expense and sales at the calendar main page (confusion with too many numbers)
