Points to Note

- 1) Dashboard:
 - Change the circle to orange
 - Light blue for the bottom area
 - Have a last active column
 - Put note to let admin know that any of the three fields can be used to reset password
 - Another table to track specific user activity (e.g. last record made, last login)
 - Link at dashboard to link to local parse server
- 2) Note: creately.com (each person can create up to five graphs from here).
- 3) Update on UAT 2.

Meeting is adjourned at **1500**.
